Join Nodutdol for an evening of celebration as we come together to send off the 2010 KEEP participants traveling to South Korea this August. Since 1994, this life-changing exchange program has catalyzed new generations of progressive Korean leadership and activism. The evening will feature food, entertainment, and the opportunity to be a part of this inspiring journey back to the southern half of our homeland.

KEEP's mission is to increase awareness of and strengthen the global movement for peace and justice on the Korean peninsula, in the United States, and throughout North America. Through building relationships and communities, KEEP seeks to broaden our understanding of and participation in the liberation struggles and unification of the Korean people.
